

## Can I get Cubitainers from Lintec?

Yes, Lintec can supply Cubitainers.

Our Cubitainers have a 5l capacity and are offered in boxes of 24.

In fact, we supply everything necessary to take a sample of fuel, including drip samplers.

Our Cubitainers are compatible with drip samplers from other suppliers.

Lintec's fuel testing kits containing enough equipment for twelve bunkering i.e. 36 bottles, plus unique seal numbered caps, and 12 mailers.

The kit also contains a fully detailed manual and CD to enable the vessel's crew to easily understand what is required for fuel testing.

Please note :- Lintec's fuel testing kits include 12 extra bottles, caps, labels and a logbook to allow vessels to remain compliant with the MARPOL Annex VI regulations.
