

I am running low on sample bottles, how do I reorder?

Included in the testing kits we supply to the ships is a supply request form, like the one shown below.

Simply complete this form and send it back to us.

We will then make the necessary arrangements to deliver the supplies to the ship.

Please allow at least five working days for delivery if possible.

SUPPLY REQUEST FORM

When your sampling supplies run low, just complete this form and FAX to our Marine Department located in the United Kingdom. **Our 24 hour FAX number is + 44 (0)1325 460 055.** Our Marine Department can also be reached by telephone at + 44 (0)1325 390 180.
